A close-up photograph of a person holding a large, rectangular cardboard sign. The sign is light brown and has the words "VEGAN", "for", and "FUTURE" written on it in green, hand-painted letters. The word "VEGAN" is at the top, "for" is in the middle and smaller, and "FUTURE" is at the bottom. The person holding the sign is wearing a dark jacket and a brown scarf. In the background, another person in a dark jacket and blue jeans is partially visible, and a red flag is seen behind them. The scene appears to be outdoors during a protest or demonstration.
